Buzz Power Bee Hive Adoption Program Agreement

Thank you for your interest in becoming a Buzz Power Bee Hive Adopter. Your support is very important and plays a crucial role in our ability to care for our environment and the colonies that are under our care. We don't consider ourselves beekeepers, but more like guardians of honeybees. We provide them with resources, and space for them to thrive in a healthy environment and provide all necessary treatments to prevent disease. Living in the beautiful Bay of Quinte Region is a blessing and a gift and we are fortunate that we are in a position to be guardians of this amazing species.

Below is a list of inclusions when an adoption takes place:

- ✿ Your adoption is valid for one year from the date payment is received.
- ✿ A personalized certificate of adoption.
- ✿ You can name your Queen bee and a name tag will be provided at no expense to you.
- ✿ Your company logo decal (which you provide) can be affixed to your hive so that it will be visible by guests during tours and experiences that take place in our apiary.
- ✿ Six persons of your choosing will be invited to a one hour group tour of our apiary. The date can be scheduled between June 1 and September 15th.
- ✿ A digital photo of each person holding a frame of live bees.
- ✿ One case (12 jars x 500g) raw honey for each colony that you adopt. Fresh honey is harvested in September of each year.
- ✿ You will have the opportunity to customize your honey labels and increase the quantity of honey provided to you at an additional cost. Customized labels are available at \$2 per jar. Additional honey can be purchased at the discounted rate of \$14 per 500g.
